**SUBJECT:** CORRECTION TO QUALITY ASSURANCE SOLUTION CERTIFICATES

**DATE:** May 4 2007

**FROM:** Ms. Ann Marie Gordon, Toxicology Laboratory Division

On January 18, 2007, Quality Assurance Solution Certifications were prepared and signed for batch numbers 07002, 07003, 07004 and 07005.

The mean solution concentration was incorrectly annotated for these solutions on the certification letters. The correct numbers are on the certification worksheets and the solutions were properly prepared in accordance with Standard Operating Procedure (SOP) and met all established criteria for acceptance.

This was an administrative error only, and in no way affects the legal or scientific supportability of the QA solutions. The original incorrect certification letters will be removed from the WEBDMS site and replaced with the corrected letters.
